

Music Mutes

A serious warning

A friendly-but-serious warning from one soul spared:

*Guard the avenues to your soul
as if your life depended on it
(because it does).*

Music pervades
our planet.

Every type
that we
can find
evokes a
specific
reaction –
the purpose
for which
it's designed.

The gift of
celestial
melodies,
the
heavenly
Father's
tolls ...

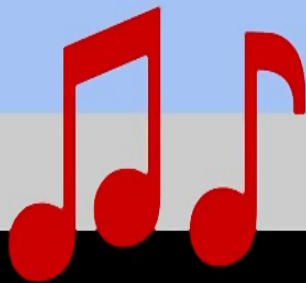

are
twisted
by “the
father of
lies” –
the *enemy*
of souls.

Your choice achieves *whose* goals?

God's music gladdens and brightens.

But Satan's saddens and frightens.

Dedicated for

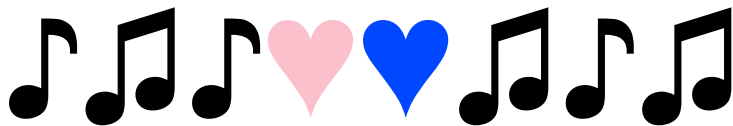

consecrated
praise,

manipulated,

now causes
craze.

The devil's dream is to hypnotize all,
To tranquilize the wise till they fall.
Syncopation shifting the stance.
Drumbeats inducing the dance.
Dazed by a deathlike trance.

Do you think that you're in love?

First “mute the music” then see.

**If love comes merely
from love songs,**

then from the “friendship” flee.

If you ever ask yourself why

you think and behave as you do,

consider what

?

you're listening to.

Instead of music that's **maddening**,
manipulating your **mind** ...

choose to hear what is

happy, gladdening,

gentle, lovely,

and kind.

**If you've been
silenced by
dissonance,**

**too weak
to speak
what is true**

Mute "maddening" music!

**Before it mutes
(or "maddens")
you.**
